Frequently Asked Questions

1. What is your minimum order quantity (MOQ)?

MOQ depends on material type and design complexity. Generally, our MOQ for PU leather starts from 200–300 pieces per style and MOQ for Genuine leather starts from 100 pieces per style. We provide flexible solutions for long-term partners.

2. What is your lead time for bulk production?

Bulk production usually takes 35 – 45 days depending on order quantity and material preparation time.

3. How long does sample development take?

Normally, sample development takes 5–10 working days depending on material availability and design complexity.

4. How much does a custom sample cost?

Sample cost depends on materials and construction complexity. It usually ranges from \$50-70 for PU leather bag and \$150 – 300 for Genuine Leather bags. All sample fee will be fully refunded after bulk production.

5. What is your weekly sample capacity?

We develop over 100 samples per week in our dedicated sampling workshop.

Frequently Asked Questions

6. Do you handle export documentation?

Yes. Our export team prepares all necessary documents including commercial invoice, packing list, bill of lading, and certificates if required.
